CADE COLE

Season 10

Age: 28

Hometown: Crowheart, WY

Profession: Hunting Guide

Cade was born and raised in rural Texas, where he spent the majority of his childhood hunting and fishing in the Texas Hill Country. Stories of adventure and the tales of long-gone mountain men out West inspired his imagination and fuelled his hunger for the wild, which would eventually lead him to the Rocky Mountains. His lifelong passion for the pursuit and conservation of North American wildlife has earned him great success as a hunting guide, and an outstanding reputation as an expert hunter and tracker. He currently resides in the foothills of the Wind River Mountain Range of Wyoming with his wife, Danielle and their son, Clifford.

His time on *Alone* provides a critical opportunity—that in a world of human impact, he can cement a legacy for himself as a hunter of dwindling, untamed lands.

Here are the ten items Cade selected to bring on his survival journey to the bone-chilling temperatures of Northern Saskatchewan, Canada:

1. Knife
2. Multitool
3. Shovel
4. Fishing Line and Hooks
5. Sleeping Bag
6. Bow and Arrows
7. Ferro Rod
8. Snare Wire
9. Cooking Pot
10. Bar of Soap
